Together Building Tomorrow - He mahi tahi mō apōpō

25 March 2024

Kia ora koutou,

Congratulations to for being selected to represent Te Kamo Intermediate in at AIMS Games 2024.

AIMS Games is held in Tauranga from 9 September through to 13 September. Teams usually travel down on 7 September and travel back on 14 September but each team may be different. Your Team Manager will confirm travel arrangements at a later date.

Hired vans and private vehicles are used as transport. If you have access to a van, please let me know asap.

Cost

A deposit of \$300 is required by Monday, 29 April 2024. This can be paid via Kindo. If you would like to arrange some form of payment plan, please contact me by 12 April. Unpaid deposits will result in the student not being registered and therefore, not being able to attend AIMS Games.

The total cost per person in 2023 ranged from \$338 to \$513. Some of this was refunded because of extra fundraising by their team. The total cost per student is just over \$1000 but grants, sponsorship and fundraising bring this cost down. Grants are applied for by me, sponsorship and fundraising is the responsibility of each team. Grants are not guaranteed.

When everyone helps and supports their Team Manager, there is a far higher success rate with fundraising.

Adults at AIMS Games

All adults who attend AIMS Games in a supervisory or coaching role will have completed a Police Vetting form. This is available on our school website. There are dates for these forms to be submitted but that information will be shared in Term 2. Each team will have a Coach and Team Manager. They will stay with the team. Some teams will also have another adult to help with meal prep and player management. Other than those 3 adults, no other adults are able to stay with the team unless this is pre-arranged with me and the Team Manager. Adults who wish to attend as spectators/supporters must communicate with the Team Manager and check with them before visiting the team's accommodation.

Communication

Your first point of contact will be your Team Manager. They will answer your questions and if they aren't able to, they will contact me so that I can.

Much of my communication goes through the Team Managers and they pass it onto you. Some general information will be shared on our Sports Facebook page. If you have yet to join, please do so. You will need to answer the participant questions before you are accepted.

Prior to AIMS Games, a group chat is set up for Coaches, Managers, Senior Leadership and myself to communicate. Your Team Manager will set up a separate chat group for your team.

Accommodation

There is a combination of houses and apartments available for teams. Who is staying where will be finalised in Term 2 and Team Managers will inform you.

Many of the accommodations provide queen and king sized beds rather than single beds meaning that some students need to share. If you are not happy with that situation, please contact your Team Manager and discuss the possibility of providing an airbed or foam mattress for the floor.

All houses and apartments are lovely, some have spa pools and other facilities. The students will not be doing it tough.

Please read through the contracts attached with your child, then sign and return them to the school office by Friday, 5 April 2024. Students who do not return this documentation by that date are at risk of being withdrawn from their team. AIMS Games is such a wonderful event, withdrawing students from teams is not something anyone wants to do.

Once again, congratulations to all students who have been selected to participate.

Ngā manaakitanga,

Liz Seaton
