Every student is encouraged to have an i-device and to bring it to school every day. Our preference would be chromebooks, but any internet capable device is satisfactory.

Kamo High and Whangarei Girls High School encourage students to have chromebooks and therefore purchasing one would be an advantage.

Students are expected to have their stationery at the beginning of the school year.

Please do NOT bring twink to school.

Please label **all** stationery clearly including pens, pencils etc.
